

2024 American Academy for Cerebral Palsy and Developmental Medicine (AACPDMD) Sponsorship and Exhibitor Summary

About AACPDMD

The American Academy for Cerebral Palsy and Developmental Medicine (AACPDMD) is an Academy of over 1,100 multidisciplinary health professionals from across the globe.

AACPDMD Mission & Vision

Mission:

- Empowering and supporting a collaborative multidisciplinary community that
- provides accessible and robust scientific education for health professionals and researchers
 - fosters innovative research as well as its dissemination and implementation
 - advocates for equitable access to evidence based and patient centered care

Vision:

To advance the health and well-being of all individuals with cerebral palsy and other childhood-onset disabilities.
